RESERVE YOUR TABLE...

City of Sunrise Civic Center
Thursday, June 23rd
8:30am – 3:00pm

The FMIT Table-Top Exercise is developed to test the operational functionality and real-time deliverables built around the FMIT Rapid Assessment℠ Program and SimpliCity℠ Claim Notification System utilized during an area wide event caused by Flood, Tornado &/or Hurricane. Additionally, the FMIT Table-Top Exercise is intended to work with Insured Members on the various workflow and reporting challenges that might be experienced during these types of unplanned events.
